## TESTIMONIALS

"Your GPS to Employment Success takes readers through the various scenarios they are likely to encounter in their job search and career advancement. By using well-placed examples and bullet points for additional focus, this book has a feeling that readers are being mentored."

~Michelle Lopez

Former SVP, Chief Employment Counsel, MTV Networks/Viacom CBS

"I invited Beverly to speak to my track and field athletes and staff to reinforce our team building efforts. Beverly's authenticity as well as her ability to address sensitive issues appropriately resonated with those in attendance. She is a resource I'm glad to have in my training and development arsenal."

~Simon Hodnett

Head Track and Field Coach, Long Island University Brooklyn

"Looking for a job and getting promoted can be challenging, but Beverly's podcast, *Your Employment Matters*, provides useful information for the employment journey. The suggestions and tips provided are straightforward, and sometimes even humorous. Listeners get the feeling that they've overheard a conversation over coffee."
